# Why

## Bazzi

I'm still on your Netflix
Girl, I know you love me
Even though your parents
They don't fucking trust me
They probably alright though
I know I'm an asshole
No reply to all your texts girl I do you mad coldLike you're just
Dying to drive but you can't find the keys, now
Looking for God but you're down on your knees, I'm
All that you want but not what you need girl why...Tell me why do you still love me
Why do you love me?
You know you shouldn't love me
Yea you still love me
All your friends tell you they hate me
God I'm fuckin' shady
Couple weeks ago they were inside my sheets naked
Club, so you can Snapchat
Titties out to snap that
I know that you do that shit just hoping for a snapbackLike you're just
Dying to drive but you can't find the keys, now
Looking for God but you're down on your knees, I'm
All that you want but not what you need girl why...Tell me why do you still love me
Why do you love me?
You know you shouldn't love me
Yea you still love me, ohWhy do you need me when you know you don't need me?
It's tearing you apart
I leave you broken and shaken
And you still call me baby
Tell me why do you still love me
Why do you love me?
You know you shouldn't love me
Yea you still love me
