Give It To You

Queensryche

You say it's been too long, since you had some
You say I turn you on, like the fire that's burring inside
You think that I'm the one, you see in your dreams
I know what you mean, yeah
It's creepin' around in my head
Me holding you down in my bed
You don't have to say a word
I'm convinced you want this
Baby, you know I can give it to you
Can't deny, I'll do it right
Just let me know and I'll give it to you
Show me where, I'll taste you there
Baby, you know that I'll give it to you
Your body needs a man like me
Anything goes when I give it to you
Without a doubt I'll turn you out
The feelin' is fine
Giving you everything of mine
I'm the place to be, and soon you'll see
I don't care who leads
As long as we do horizontally
Anyone can make you sweat, but I can keep you wet
It's creepin' around in my head
Me holding you down in my bed
I can't wait to give you some
I'm convinced you need it
Baby, you know I can give it to you
Can't deny, I'll do it right
Just let me know, and I'll give it to you
Show me where, I'll taste you there
Baby, you know that I'll give it to you
Your body needs a man like me
Anything goes when I give it to you
Without a doubt, I'll turn you on
The feelin' is fine
Givin' you everything of mine
It's creepin' around in my head
I'm holding you down in my bed
You don't have to say a word, just relax, I'll do the work

I can't wait to give you some, I'm convinced you need one, baby
Baby, you know I can give it to you
Can't deny, I'll do you right
Just let me know, and I'll give it to you
Show me where, I'll taste you there
Baby you know that I'll give it to you
Your body needs a man like me
Anything goes when I give it to you
Without a doubt, I'll turn you out, baby you know
I want to satisfy your every wish and mine
Baby, I'd know just what you need and all the things you want, baby
No one could ever do you like I do you right, baby
There's nothing we can't do, 'cause we do it right, baby
The feelin' is fine
Giving you everything of mine
