Cosmic Doo Doo

Blaze Foley

Cosmic doo doo, cosmic giggle.
Cosmic beauty, sure can wiggle.
Shake da? asses paint da? face,
listen to the tubes.
Cosmic comma, cosmic city.
Cosmic girls did me shitty.
Got some quaaludes in her purse.
She won?t give me none.
I say music, you say disco.
Baltimore San Francisco.
Cosmic doo doo in my shoes.
Just can?t dance away.
Cosmic couple just got married.
Heard to her, him too hairy.
Cosmic doo doo man or wife.
Turquoise wedding ring.
Cosmic girls got covered up pimples.
Country girls got plain ol? dimples.
I like country girls.
They dance the night away.
Cosmic doo doo, cosmic giggle.
Cosmic beauty sure can wiggle.
2x Shak da asses paint da? face.
Listen to the tubes.
