If he cute then he got bad credit
If got good credit then the sex is so so
Hot sex but he's stayin wit his mom
He in between jobs and he ain't got no dough
If his dough right then it's so tight
Way too nice, where can a girl get a thug
With Puffy money, street cred, good lookin great in bed
How come them guys we like so much can't come through for us
How come them guys we like so much can't be serious
He's lookin good as can be (or)
He's switching harder than me (or)
All females know that mans uneligible
How come when the type of guys that I like that they come into my life
they never stay I let em go...they so...uneligible
na na na
na na na (uneligible)
na na na (uneligible)
Got a ex girl but he still cool wit her
If they ain't cool then they got kids and they shacked up
Wanna play house so he can't stay
If we go out then he's real cheat gotta go dutch
Not the ex girl but the best friend is a female, but you know good and well
Hell yeah she want a good man, home training, common sense

How come them guys we like so much can't come through for us (how come)
How come them guys we like so much can't be serious (can't be)
He lookin good as can be (or)
He's switching harder than me (or)
All females know that mans uneligible
How come when the type of guys I like that they come into my life
they never stay i let em go...they so...uneligible
na na na
na na na
na na na
na na na

I heard 'em say, I can do betta
They said he'll never change, I said whateva
I opened up my heart, now I know betta
Let me catch him slippin, before i fall
Won't miss him, not at all
He lookin good as can be (or)
He's switching harder than me (or)
All females know that mans uneligible
How come when the type of guys I like when they come into my life
They never stay i let em go...they so...uneligible
