## ONCUE

Don't get any big ideas, they're not gonna happen  
You paint yourself white and feel up with noise  
    But there'll be something missing  
    Now that you've found it, it's gone  
    Now that you feel it, you don't

    You've gone off the rail  
So don't get any big ideas, they're not gonna happen  
You'll go to hell for what your dirty mind is thinking
