# Get Away

## Brian McFadden

What happened to the great escape
We've ended up on a merry go round
Now all we have are shadows on the wall
We could have had it allWhen did life get in the way
Striking matches in the rain
Now there's only me and you
Living on this dead end avenueWhy don't we get away
Out of this town
Shake all those yesterday's
They're dragging us down
There's nothing left round here for you and I
All the signs
Tell me to get awayWhat happened to the love we made
We used to give it all
So when did life get in the way
Throwing water on the flames
Now there's only me and you
Living on this dead end avenueWhy don't we get away
Out of this town
Shake all those yesterday's
They're dragging us down
There's nothing left round here for you and I
All the signs
Tell me to get awayWhy don't we get away
Out of this town
Shake all those yesterday's
They're dragging us down
There's nothing left round here for you and I
All the signs
Tell me to get awayWe should just get away
