

# lovers who wander

## Dion & The Belmonts

### LOVERS WHO WANDER

Dion

When she kissed me I was born and she said goodbye  
And I knew right away I was born to cry  
Now I'm happy and the joke's on her  
Cause I found that place for lover's who wander  
She took my love, said she's not comin back  
So my world and my sky was all turnin black  
Now I see the light, I'm wise to her  
Cause I found that place for lovers who wander  
A walkin around thinkin about her  
Never thought I could live without her  
She broke my heart, I really showed it  
Look at me now, you'd never know it  
Now my story can be told with a smiling face  
I'm the luckiest guy in the human race  
My dreams have gone for her  
Cause I found that place for lover's who wander  
Wo wo wo yeah, she took my love you see  
Yeah, she doesn't bother me  
Yeah I found that place to be  
Yeah, ohhhhhhhhhhhhhhh  
Yeah walkin around thinkin about her  
I never thought I could live without her  
She broke my heart, I really showed it  
Look at me now, you'd never know it  
Now my story can be told with a smiling face  
I'm the luckiest guy in the human race  
All my lovin dreams have gone for her  
Cause I found that place for lover's who wander  
Dum dum did it, dum dum did it...
