Candy

Love Arcade

lollipop, I wont stop, gonna lick that sweetness from the top
youre loaded with sweetness, I'm all yours, yea youre full through the drawers
I'll keep on starin shaved or hairy cause thats the type of fella that I am
I'll pop that cherry if its nescissary to make that jam

I want candy, sweet tooth is drivin me wild, candy makes me feel just like a child

I want candy, sweet tooth is drivin me wild, candy makes me feel just like a child

bubble gum yummy yum, she said blowin you is so much fun
big bazooka makes my teeth grind, she said I just wanna blow you one more time
I'll be daring, I'll go pairing cause thats the type of fella that I am
I'll pop sisters nicki, of course paris, to make me that jam

I want candy, sweet tooth is drivin me wild, candy makes me feel just like a child

I want candy, sweet tooth is drivin me wild, candy makes me feel just like a child

I want candy, sweet tooth is drivin me wild, candy makes me feel just like a child

I want candy, sweet tooth is drivin me wild, candy makes me feel just like a child

I want candy!
