

White Blank Page (Live At Shepherd's Bush Empire)

Mumford & Sons

Can you lie next to her
And give her your heart, your heart
As well as your body
And can you lie next to her
And confess your love, your love
As well as your folly
And can you kneel before the king
And say I'm clean, I'm clean Tell me now, where was my fault
In loving you with my whole heart
Oh tell me now, where was my fault
In loving you with my whole heart A white blank page and a swelling rage, rage
You did not think when you sent me to the brink, to the brink
You desired my attention but denied my affections, my affections Tell me now, where was my fault
In loving you with my whole heart
Oh tell me now, where was my fault
In loving you with my whole heart
