

Charles Sanders Peirce

Timo Kinnunen One Man Band

Charles Sanders Peirce he invented,
The Truth Tables he invented.
Charles Sanders Peirce he invented,
but truth he didn't find.
Truth he didn't find,
he didn't, find the truth
at all, at all.
Truth he didn't find at all.

Charles Sanders Peirce he invented,
The Truth Tables he invented.
Charles Sanders Peirce he invented,
but truth he didn't find.
Truth he didn't find,
he didn't, find the truth
at all, at all.
Truth he didn't find at all.

But truth he didn't find.
Truth he didn't find,
he didn't, find the truth
at all, at all.
Truth he didn't find at all.

Charles Sanders Peirce he invented,
The Truth Tables he invented.
Charles Sanders Peirce he invented,
but truth he didn't find.
Truth he didn't find,
he didn't, find the truth
at all, at all.
Truth he didn't find at all.
