

Sacred Heart

Gabriel Bruce

You were hard to find
But never under estimate
The power of the human mind
It's true
I've never wanted anything more than I want you
I'm sure
Everything I say to you
You've heard it all before
(but I mean it more)
So baby
Watch me move
Hear me roar
Take a look at my
Sacred Heart, my Sacred Heart
Now you're in your restaurant
Asking what the damage is
I'm still in Tesco
Still stealing sandwiches
Still feeling tired of this
Still working double shifts
Still buying drinks I can't afford
