Red Rain

Queensryche

[Peter Gabriel cover]Red rain is coming down
Red rain
Red rain is pouring down
Pouring down all over me
I am standing up at the water's edge in my dream
I cannot make a single sound as you scream
It can't be that cold, the ground is still warm to touch
This place is so quiet sensing that storm
Red rain is coming down
Red rain
Red rain is pouring down
Pouring down all over me
Well I've seen them buried,
In a sheltered place in this town
They tell you that this rain can sting and look down
La sangre ne est
