

# Red Rain

## Queensryche

[Peter Gabriel cover]Red rain is coming down

Red rain

Red rain is pouring down

Pouring down all over me

I am standing up at the water's edge in my dream

I cannot make a single sound as you scream

It can't be that cold, the ground is still warm to touch

This place is so quiet sensing that storm

Red rain is coming down

Red rain

Red rain is pouring down

Pouring down all over me

Well I've seen them buried,

In a sheltered place in this town

They tell you that this rain can sting and look down

La sangre ne est
