## Armor for Sleep

Advisory - the following lyrics contain explicit language:

Can i just be something  
Somewhere in your room  
But you wont notice  
Maybe ill be paper  
Or books thrown on your floor  
Move me when you want to  
I'll lay where you put me  
In your VCR  
If i become a cassette  
Or on top of your computer  
If thats where i would fit  
Then so be it  
But things cant be perfect  
All the time  
That i know  
Sometimes we just have to let some things go  
I will not say one word  
Ill just hang around  
I wont annoy you at all  
When you move out ill stay  
Until im thrown away  
But then it wont matter  
Things cant be perfect  
All the time  
That i know  
Sometimes we just have to let some things go  
because  
things cant be perfect  
all the time  
that i know  
sometimes we just have to let somethings go  
i promise to stop now

to stop now  
i promise to stop now  
to stop now  
but things cant be perfect  
all the time  
that i know  
sometimes we just have to let some things go  
things cant be perfect  
all the time  
that i know  
sometimes we just have to let some things go  
letting go is my life  
ill be on my way
