

The Last Wall Of The Castle

Jefferson Airplane

Gone swirling tears came she went today;
Down Fallen years go by,
No place in learning how to cry; I went astray;
Understanding is a virtue, hard to come by
You can teach me how to love
If you'll only try; So please!
Don't give up so soon.

Sorry that I hurt her I went astray;
Hurt her mind and broke her heart
But there's no stopping once you start; she went away;
Understanding is a virtue, hard to come by
You can teach me how to love
If you'll only try; So please!
Don't give up so soon.

I never knew you the way you are;
The blinded bird is not sincere,
His flying's done from only fear, he's lost his star;
Understanding is a virtue, hard to come by
You can teach me how to love
If you'll only try; So please!
Don't give up so soon.
