

# Strange Changes

## Classics IV

On a da-rk, foggy night, like tonight, long ago  
She promised me her love, for-ever strong.  
There she is, with someone else; who is he? I donâ€™t know,  
Thereâ€™s some stra-nge changes, goinâ€™ on.

Now I wa-tch as they meet, not by chance, but by choice,  
And I fe-el a feelinâ€™, Iâ€™ve never known.  
In the sti-ll of the night, I can hear, her laughing voice,  
Thereâ€™s some stra-nge changes, goinâ€™ on.

(musical break)

Though sheâ€™s gone, I will ne-ver, forget, the things weâ€™ve done,  
Sheâ€™s been a part of me, for oh so long.  
I still li-ve in a world, uh made for two, but now thereâ€™s one,  
Thereâ€™s some stra-nge changes, goinâ€™ on.  
Thereâ€™s some stra-nge changes, goinâ€™ on.
