

Groove With Me

Gareth Gates

Hey girl, excuse me miss for sayin' this but
It's your world can I come inside?
Let's hit the floor dance a bit until we're sweatin'
An so much more I'll take you on a ride oh, yeah
I see that look in your eyes, I can tell you're feelin' me
But actin' like you're shy don't be afraid to let go
Just give into the rhythm and I'll take control, yeah
Let me show you the way I move
You know that you want me to
So baby, groove with me
There ain't nothin' I wouldn't do
I'm gettin' into you
So baby, groove with me
Let me show ya, I wanna know ya
Don't be afraid, I don't bite unless you want it
And so I'll wait till I am invited
I can tell you're turned on by it come on let's play
I promise that you'll like it girl
I see that look in your eyes, I can tell you're feelin' me
But actin' like you're shy don't be afraid to let go
Just give into the rhythm and I'll take control, yeah
Let me show you the way I move
You know that you want me to
So baby, groove with me
There ain't nothin' I wouldn't do
I'm gettin' into you
So baby, groove with me
We're movin' slow but I need to know
Just how fast you wanna go
I think it's time to make up your mind
So baby, just let me show ya
Let me show ya, let me show ya
The way I move, I wanna no ya
Come groove with come groove with me
Let me show ya nothin'
I wanna know ya, I wanna know ya more
Let me show you the way I move
You know that you want me to
So baby, groove with me

There ain't nothin' I wouldn't do
I'm gettin' into you
So baby, groove with me
Let me show you the way I move
You know that you want me to
So baby, groove with me
There ain't nothin' I wouldn't do
I'm gettin' into you
So baby, groove with me
Let me show you the way I move
You know that you want me to
So baby, groove with me
There ain't nothin' I wouldn't do
I'm gettin' into you
