# Swastika Eyes (Chemical Brothers Mix)

## Primal Scream

Your soul dont burn, you dark the sun
Rain down fire on everyone
Scabs, police, government thieves
Venal psychic amputeesParasitic you're syphilitic
Parasitic you're syphiliticSwastika eyes, you got
Swastika eyes, you got
Swastika eyes, swastika eyes, swastika eyesVent my spleen Ill keep my dreams
My flesh my bones my soul I own
My minds a weapon immune from infection
Blood in my eyes, my vision is clearParasitic you're syphilitic
Parasitic you're syphiliticSwastika eyes, you got
Swastika eyes, you got
Swastika eyes, swastika eyes, swastika eyesI see your autosuggestion psychology, elimination policy
A military industrial, illusion of democracy
I see your autosuggestion psychology, elimination policy
A military industrial, illusion of democracySwastika eyes, swastika eyes, swastika eyes
Swastika eyes, swastika eyes, swastika eyes
