Mia Rose

Peter Frampton

I love to hear you talk
I love the things you say
I love to hear you speak my name
I love to spend my time
Holding your hand in mine
Watching the world go by
Through the wonder of your eyes
There's a secret in your soul, Mia
How I love to watch it grow, Mia
Like a flower you unfold, Mia
Beautiful Mia, beautiful Mia Rose
Don't ever be afraid
You have a gentle heart
You're safe because you're loved so much
You'll never come too hard
You'll never have to cry
I'll hold you in my arms
And sing a lullaby
There's a secret in your soul, Mia
How I love to watch it grow, Mia
Like a flower you unfold, Mia
Beautiful Mia, beautiful Mia
You are my angel
Heaven knows, Mia Rose
There's a secret in your soul, Mia
How I love to watch it grow, Mia
Like a flower you unfold, Mia
Beautiful Mia, beautiful Mia Rose
