Dreaming in Red

The Calling

Once upon a time, yeah
Somewhere far away from here, alright
I was drownin' in a deep sleep
I got no ground beneath my feetAn' there's so many faces
But I'm New York an' I'm Japan, oh oh, yeah
There's so many things that I wanna know
But I'll never understand, oh oh yeahNow I'm dreamin' in red
Just driftin' away
Oh, yeah, I'm dreamin' in red
Come an' take me awayI just got to get it right
Oh, before I make it wrong
Yeah, 'cause I'm breakin' out an' risin' up
While the world is fallin' down, oh oh, yea yea yeahNow I'm dreamin' in red
Just driftin' away, oh oh
Yeah, I'm dreamin' in red
Come an' take me away, oh oh
Just take me away
Ooh, I'm dreamin' in redWell I see the sun behind the night sky
One last moment before I say goodbye
Aae yea yeahOnce upon a time, yeah
Somewhere far away from here, alrightNow I'm dreamin' in red
Just driftin' away, oh oh
Yeah, I'm dreamin' in red, ooh ooh
Come and take me awayOh oh, I'm dreamin' in red
Just driftin' away, oh oh
Yeah, but I'm dreamin' in red, ooh
Come and take me away
