A Man and a Woman

U2

Advisory - the following lyrics contain explicit language:

Little sister, don't you worry about a thing today
Take the heat from the sun
Little sister
I know that everything is not okay
But you're like honey on my tongueTrue love never can be rent
But only true love can keep beauty innocentI could never take a chance
Of losing love to find romance
In the mysterious distance
Between a man and a woman
No, I could never take a chance
'Cause I could never understand
The mysterious distance
Between a man and a womanYou can run from love
And if it's really love it will find you
Catch you by the heel
But you can't be numb for love
The only pain is to feel nothing at all
How can I hurt when I'm holding you?I could never take a chance
Of losing love to find romance
In the mysterious distance
Between a man and a womanAnd you're the one, there's no-one else
It makes me want to lose myself
In the mysterious distance
Between a man and a womanBrown-eyed girl across the street
On rue Saint Divine
I thought this is the one for me
But she was already mine
You were already mine...Little sister
I've been sleeping in the street again
Like a stray dog
And little sister
I've been trying to feel complete again

But you're gone and so is GodThe soul needs beauty for a soul mate
When the soul wants, the soul waitsBut I could never take a chance
Of losing love to find romance
In the mysterious distance
Between a man and a womanFor love and faith and sex and fear
And all the things that keep us here
In the mysterious distance
Between a man and a womanHow can I hurt when I'm holding you?
