

Dirty Money Dirty Tricks

Acid Drinkers

Hey, fool where from are you comin' ??
I can assure you, you got nothing to do here
 On you soft, little face
Hey, fool you got any business ??
I can assure you, here's no business for you,
 You can only lose your head,
 You can only get heated!
 O.K fool, so you want to play,
But are your prepared to take the risk ??
 I Don't think, that you will leave rich,
I Don't think, that you will leave healthy !!!
 [Chorus:] Dirty money
 Dirty tricks
 What's the swamp
 Everybody wants to cheat me !!
