Substitute

El Caco

Iâ€™m the puppeteerâ€¨
The lord of strings
A king controlâ€¨
See how my fingers sweep

I carry the master keyâ€¨
I steer the nerve centerâ€¨
I am the well of thirstâ€¨
I am the cell of Birth

So, you're now my heroineâ€¨
I wish you well
I wish you everything

So, you're now my heroineâ€¨
I wish you well
I wish you everything

I am the pilot of rainâ€¨
A virus insaneâ€¨
A mood constructorâ€¨
A sad seductor

I make you my heroineâ€¨
My rush of adrenalineâ€¨
We dance in silenceâ€¨
Ignoring the violence

So, you're now my heroineâ€¨
I wish you well
I wish you everything

So, you're now my heroineâ€¨
I wish you well
I wish you everything

Iâ€™m the pilot as we fly
Youâ€™re my passenger by my side

So, you're now my heroineâ€¨

I wish you well
I wish you everything

So, you're now my heroineâ€¨
I wish you well
I wish you everything

So, you're now my heroineâ€¨
I wish you well
I wish you everything

So, you're now my heroineâ€¨
I wish you well
I wish you everything
