Icebreaker

Ryan Adams

I don't see you've gone past me
I don't see it, don't see it
Don't see it, don't see it at all
I don't see them, they're lookin' for me
I don't see them, they don't see me
Guess it was invisible
Ice
The ice
Ice
Ice, ice, ice
Icicle, icicle
I don't see you've gone past me
I don't see it, don't see it
Don't panic, they know you are numb
I don't see them, they're looking for me
I don't see them, they don't see me
Guess it was invisible
Ice, ice, ice
Ice, ice, ice
Icicle, icicle

There's too many lights in here
And I don't understand
I don't understand
Where I'm goin', whether I'm dead
There's too many lights in here
And I don't understand
I think I hear an angel singin'
Hear an angel softly beside you
Hear an angel ?? anymore
Underneath the ice, beneath all, you died twice
I don't see you walkin' past me
I don't see you, don't hear you
??
I don't hear them, they're lookin' for me
I don't hear them, they don't hear me
Underneath the icicle
The ice
Ice, ice , ice

I don't see you've gone past me
I don't see it, don't see it
Don't see it, don't see it at all
