Don Quixote

Os Mutantes

Woooo Woo!
Woooo Woo Wooo
Woooo Woo!
So we left La Mancha
Headed out for higher plains
And Sancho Panza
Looking for adventure
Rocinante at the reigns
To the windmills answer
You'll never be lonely
You'll never be lonely ever again
You'll never be lonely
You'll never be lonely ever again
I heard you never get wet in Spanish rain
So he sent the doctor
For examining my brain

Said he's not too clever
When the world, when the world just seems
a little bit too cruel
Gonna leave it better
Gonna make one better
Eh!
So tell that princess
Tell that princess hide down the drain
Tell that princess you'll never be lonely again
I heard you never get wet in Spanish rain
I heard you never get wet in Spanish rain
Where the people sing...
Olï¿½ Olï¿½ Olï¿½ Olï¿½... x 30940853094
...I heard you never get wet in Spanish Rain
I heard you never get wet in Spanish Rain
Olï¿½ Olï¿½ Olï¿½ Olï¿½...
