

Return to Him

Noor

La ilaha illa Allah

If you've sinned day and night, and you're searching for the light

Don't despair of His rahma (mercy), just call to Allah

And if you return to Him, the doors of mercy are open

Please forgive my every sin, ya Allah

All praise is for the One, to him all exaltation

He sustains our every need, Al-Ghanyul Mujeeb

And if you return to Him, the doors of mercy are open

Please forgive my every sin, ya Allah

To You is all the praise, we're Your servants, we're Your slaves

Please accept our du'aa, and guide us through our days

La ilaha illa Allah (there is no God but God)
