

Like a Nightmare (B-Side - "No Class" Single)

Motörhead

wanna be there
I got to see
I wanna feel it
I wanna watch you looking at me Oh you know how I feel
When you set me free Like a nightmare
Like a nightmare, babe
Like a nightmare
Nightmare, oh! It's an infection
It's a disease
But no reflection
It's gonna make your blood freeze Oh you know how I feel
When you set me free Like a nightmare
Like a nightmare, babe
Like a nightmare
A night, nightmare, oh! I can't believe you
You can't be true
But I'll bereave you
I can't explain how good it feels I know how you feel
I'm gonna set you free Like a nightmare
Like a nightmare, sugar
Like a nightmare
A night night night night night night...
