

Tha Bullshit

Jeru the Damaja

Ladies and gentlemen, children of all ages
It's me, Jeru the Damaja
And I'm here to present to you today
The bullshit Yes, this is the bullshit, the extreme bullshit
The absolute bullshit
This is the bullshit of bullshit This bullshit is so bullshit
I never wanna hear this bullshit on the radio
Or in my children's ears 'cause it's bullshit
You know? So, as we talk about the bullshit
And what bullshit is
I'ma drop the bullshit on you right now
You know, the bullshit goes like this Jump up in my Rolls Royce, top choice
Make 'em holler, everything I do is for a dollar
Fuck being civilized, I got dollar signs in my eyes
One day I'll fall but for now, I'll rise Trust me, as the stink stuff fries up
I'm cookin' up, I used to spend the nights in spots run up
Buck buck but now I'm all grewed up and blowed up
And believe me, baby paw, I got it all sewed up And the loot is in big bags and all stored up
And the niggaz I used to run with is all locked up
But I'll keep bubblin', got 'em on the corners
Like court jesters jugglin', avoid the late night mugging Because stick up kids be bugging
I paid my dues, so I'm on some exotic island
Smilin', sun shinin' all off my diamonds
Sippin' on martinis, bad hookers in bikinis A airplane load of exotic work from Tahiti
Plus a squad of killer bitches that all carry uzis
I got a lot, so if it gets too hot
Jump in the billion dollar jet or the million dollar yacht
Got the Teflon vest, in case they knock me out the box
Oh no, I think I hear gunshots Damn, shit was just a dream, damn
That's a scary motherfucking dream, that was bullshit
I'd never say no bullshit like that
Glad I don't live none of that bullshit
That shit is absolutely bullshit
