# Help Me God

## Kathy Troccoli

Help me, God I'm scared
And I'm unprepared to face the night alone
Hear me, hear my prayer
My soul, it aches and I've nowhere to go
Help me, GodIn this dark hour, I know only the power
That made the stars can mend my heart
Oh, I've tried on my own but I'm not that strong
You're all I've got, You're all I've got, help me, GodSometimes, people leave
And I can grieve 'cause life's not always fair
Help me to hold on
Though I can't see You, I believe You're there
I know You're thereIn this dark hour, I know only the power
That made the stars can mend my heart
Oh, I've tried on my own but I'm not that strong
You're all I've got, You're all I've got, help me, God
