

# Help Me God

Kathy Troccoli

Help me, God I'm scared  
And I'm unprepared to face the night alone  
Hear me, hear my prayer  
My soul, it aches and I've nowhere to go  
Help me, GodIn this dark hour, I know only the power  
That made the stars can mend my heart  
Oh, I've tried on my own but I'm not that strong  
You're all I've got, You're all I've got, help me, GodSometimes, people leave  
And I can grieve 'cause life's not always fair  
Help me to hold on  
Though I can't see You, I believe You're there  
I know You're thereIn this dark hour, I know only the power  
That made the stars can mend my heart  
Oh, I've tried on my own but I'm not that strong  
You're all I've got, You're all I've got, help me, God
