Love

[Erykah Badu](#)

Come on, feel me
Just tell me, you love me
I like it, you know it
So do it, come on
Come on, feel me
Just tell me, you love me
I like it, you know it
So do it
Come on, come onNever ever met another lover quite like you
Thought I fell in love with superman it's true
Kryptonite can't make you come up off that thang
Baby, baby I'm about to go insane
Never ever met a lover quite like you
Thought I fell in love with superman it's true
Even kryptonite can't make you lose your thang
Baby, baby I'm about to go insaneCome on, feel me
Just tell me, you love me
I like it, you know it
So do it, come on
Come on, feel me
Just tell me, you love me
I like it, you know it
So do it
Come on, come onBooba, booba, booba, booba, booba, boo ba ba ba yeah
(I like it)
Booba, booba, booba, booba, booba, boo ba ba ba yeah
(Feel me)Never ever met another lover quite like you
Thought I fell in love with superman it's true
Kryptonite can't make you come up off that thang
Baby, baby I'm about to go insane
Never ever met a lover quite like you
Thought I fell in love with superman it's true
Even kryptonite can't make you lose your thang
Baby, baby I'm about to go insane(Tell it)
(That you love me)
(Know I like it)
(Tell me, um mm)Booba, booba, booba, booba, booba, boo ba ba ba yeahNever ever met a lover quite like you
Thought I fell in love with superman it's true
Even kryptonite can't make you lose your thang

Baby, baby I'm about to go insaneTell me, you love me
I like it, you know it
Do it
Come onBooba, booba, booba, booba, booba, boo ba ba ba yeah
