Built This Way (Slow Remix)

Samantha Ronson

Did you ever feel like you wanna be
Someone else for just one day,
Did you ever feel like you wanna see
Through another pair of eyes,
Did you ever think I might wanna be
With Anyone else for just one day,
Did you ever really think of me when I walked away?You look, you don't sound apologetic,
You smoke your subjects at my eyes, like you think,
You know where you think you'll find, you think you'll figure me out tonight,
But you'll never know what I won't share,
Cause I don't care nuh I don't care,
You think you'll figure me out tonight,
But I don't care,And I wonder, if I'm just built this way,
Cause every man that I know, makes me feel like 'I'm to blame'
When it's over me and my selfish ways,
Go back to start again, go back to start again.Did you ever feel like you should have said
Something smarter at that time,
Did you ever feel like you should have kept
It all to yourself,
Did you ever think it might be your fault
I never promise anymore,
Did you ever think it might not be me
No it was always meYou look, you don't sound apologetic,
You smoke your subjects at my eyes, like you think,
You know where you think you'll find, you think you'll figure me out tonight,
But you'll never know what I won't share,
Cause I don't care nuh I don't care,
You think you'll figure me out tonight,
But I don't care,And I wonder, if I'm just built this way
Cause every man that I know, makes me feel like 'I'm to blame'
When it's over me and my selfish ways
Go back to start againAnd I wonder, if I'm just built this way
Cause every man that I know, makes me feel like 'I'm to blame'
When it's over me and my selfish ways
Go back to start again, go back to start againYou look, you don't sound apologetic,
You smoke your subjects at my eyes, like you think,
You know where you think you'll find, you think you'll figure me out tonight,
But you'll never know what I won't share,
Cause I don't care and I don't care,

You think you'll figure me out tonight,
But I don't care,And I wonder, if I'm just built this way
cause every man that I know, makes me feel like 'I'm to blame
When it's over me and my selfish ways
Go back to start again,And I wonder, if I'm just built this way
cause every man that I know, makes me feel like 'I'm to blame'
When it's over me and my selfish ways
Go back to start again, go back to start againGo back to start again.
