

Fill Me Up

Shawn Colvin

Fill me up, fill me up, I'm a long way from home
And I don't have a lot to say
Fill me up, fill me up 'cause you're all that I've got
And I traveled a long, long way
Cheer me up, cheer me up 'cause I'm all alone
And I'm taking it day by day
Cheer me up, cheer me up 'cause you're all that I've got
And I traveled a long, long way
I'm a bellhop now on a busy day
And I'm starting at sunrise
And the color of dawn from this plane that I'm on
Is the day breaking in your eyes
I'm a still life now on a tabletop
I'm a case study in French blue
And it's clear to me now that the whole of my life
I've been making my way to you
And I know where you live
And I know who you are
So don't get too close
And don't go too far
Well, I might be alright if I just see the light
I don't care if the phone don't ring
And I'll know when it's right like a voice in the night
And the right shade of tangerine
Fill me up, fill me up, I'm a long way from home
And I don't have a lot to say
Fill me up, fill me up 'cause you're all that I've got
And I traveled a long, long way
And I know where you live
And I know who you are
So don't get too close
And don't go too far
Don't get too close
And promise me that you'll never go too far
Never go too far
Fill me up, fill me up, I'm a long way from home
And I don't have a lot to say
Fill me up, fill me up 'cause you're all that I got
And I traveled a long, long way
Cheer me up, cheer me up 'cause I'm all alone
And I'm taking it day by day
Fill me up, fill me up 'cause you're all that I've got
And I traveled a long, long way
But I traveled a long, long way
Yeah, I traveled a long, long way
