

I Belong To You

Emilia Mitiku

Hoo hoo baby

Alright

Yeah

In a world when dreams are few

You've got me baby, I've got you

You're the one that makes

Me feel brand new

Sometimes love can wear you out

Chill your soul baby, make you doubt

That you'll never find

The one that's true

All of my life I've longed for this

Someone who makes me happy

Let's seal this moment with a kiss

I wanna know and nothin's gonna stop me 'cuz

I've been to the bottom, now I'm back on top

When I'm feelin' the rhythm as we start to rock

When ya get down to it

I belong to you

Hey baby

Though I'm not afraid to let it show

I'll tell the world, I want everyone to know

There's nobody does

Me like you do, boy

(Like you do, like you do)

All of my love is yours tonight

I live to make you happy

Nothin' has ever felt so right

I want it all and nothin's gonna stop me 'cuz

I've been to the bottom, now I'm back on top

When I'm feelin' the rhythm as we start to rock

When ya get down to it

Boy, you know, I belong to you

When you touch me tender and you reach my soul

When I start to weaken and I lose control

When you get down to it

I belong to you

To you

Say that you love me boy and I'll make it right

Hoh yeah
I'll rock your heart and soul till the morning light
Boy no
I will, oh yeah yeah
You know I belong to you
And you belong to me
All of my love is yours tonight
I live to make you happy
Nothin' has ever felt so right
I want it all and nothin's gonna stop me 'cuz
I've been to the bottom, now I'm back on top
When I'm feelin' the rhythm as we start to rock
When ya get down to it
I belong to you
I belong to you
When you touch me tender and you reach my soul
When I start to weaken and I lose control
When you get down to it
I belong to you
I belong to you, baby
You belong to me
I belong to you
You belong to me
I belong to you
You belong to me
When ya get down to it
I belong to you
I belong to you, baby
You belong to me
I belong to you
You belong to me
I belong to you
You belong to me, yeah
