Joni

Braids

Are we okay?
Seems like we always come here back into this
Are we afraid?
Of all the unknown along the way
Joni's playing in the car on a highway
Saw man driving with his front window smashed in
He was swerving with the wind and a sky dance
If he fell off, would he be doing this?We don't know where we are going
I wanna be fine without knowing, darling
Can my home be here inside of me
Even when I'm on the other side of where I wanna be
We don't know where we are going
I wanna be fine without knowing, darling
Can my home be here inside of me
Even when I'm on the other side of where I wanna be
Are we okay?
Seems like we always come here back into this
Are we afraid?
Of all the unknown along the way
Joni's playing in the car on a highway
Saw man driving with his front window smashed in
He was swerving with the wind and a sky dance
If he fell off, would he be doing this?We don't know where we are going
I wanna be fine without knowing, darling
Can my home be here inside of me
Even when I'm on the other side of where I wanna be
We don't know where we are going
I wanna be fine without knowing, darling
Can my home be here inside of me
Even when I'm on the other side of where I wanna be
What I wanna see in myself, cause nobody else could find
What I wanna see in myself, cause nobody else to find
What I wanna see in myself, cause nobody else define
I am the day
Feel form I never felt before
I am the day
Feel form I never felt beforeWe don't know where we are going
I wanna be fine without knowing, darling
Can my home be here inside of me

Even when I'm on the other side of where I wanna be
We don't know where we are going
I wanna be fine without knowing, darling
Can my home be here inside of me
Even when I'm on the other side of where I wanna be
