

Rivers

Sugar Ray

She's gone and I'm gonna find her
It's been so long
Yeah, I'm gonna find her
She's gone away When it goes away
I'll dig a hole
When it goes away
I'll dig a hole When it goes away
I'll dig a hole
When it goes away
I'll dig a hole Wasted and I'm out of patience
It's been so long
Yeah, I'm out of patience
She's gone away When it goes away
I'll dig a hole
When it goes away
I'll dig a hole When it goes away
I'll dig a hole
When it goes away
I'll dig a hole Runnin', goin' out at night
Friends they push and pull you
Burn out ground poor flowers
Spinning, falling outta time When it goes away
I'll dig a hole
When it goes away
I'll dig a hole When it goes away
I'll dig a hole
When it goes away
I'll dig a hole La, la, la, la, ooh
I'll dig a hole
La, la, la, la, ooh
When it goes away La, la, la, la, ooh
I'll dig a hole
La, la, la, la, ooh
When it goes away
