Human

Abra

i do not know my way
but i'll go bursting through the flames
till i get it
get it
get it
get it
get it
be damned to be so bold
i did not see the light
but i got a taste for what it might be like
what's that good to feel bad?
it's just natural baby
let them care if they care
we're just atoms baby
all i wanted
and all i ever needed
was a beat and a hum
that can make me feel human
yeah
all i wanted
and all i ever needed
was a beat and a hum
that can make me feel human
yeah, yeah
yeah
yeah
yeah
do you know where i could fine some peace to pocket?
do you know where i could be?
packed up my woes
and i threw 'em in a rocket
then i turned the sky grey
but they don't know
they don't know
they don't know
they hide a well kept secret
and i don't mind to keep it
if they don't wish to seek it
seek it

what's that good to feel bad?
it's just natural baby
let them care if they care
we're just atoms baby
all i wanted
and all i ever needed
was a beat and a hum
that can make me feel human
yeah
all i wanted
and all i ever needed
was a beat and a hum
that can make me feel human
(make me feel)
all i wanted
and all i ever need
was a beat and a hum
that can make me feel human
yeah
all i wanted
and all i ever need
was a beat and a hum
that can make me feel human
yeah
