

Marauder Music

Mike Posner

I don't give a fuck about being famous,
I wasn't suppose to be a star.
and no one ever told me there'd be nights like these, no
I just want to smoke with my friends in the park, like we use to.
Now I'm driving down Melrose, shit is really kinda feeling like a hell-hole, and I don't know
Where did all my friends go.
Tell me where did all my friends go.
This is what you listen to in the Marauder
When you don't give a fuck about anything
Yeah, this is what you listen to in the Marauder
This is the soundtrack to the game, game, game.
I don't need no Roll Royce or a Bentley
No, cause none of my hero's had those.
I wonder if I'm suppose to do like them and die young
Oh, cause now I'm someone else's hero (I drive slow)

and now I'm driving through my hometown
the one that every time I go I always hold down. (every show)
and now it's feeling like a ghost town.
Why's it feeling like a ghost town.
This is what you listen to in the Marauder,
When you don't give a fuck about anything, anything.
This is what you listen to in the Marauder.
This is the soundtrack to the game, game, game.
Marauder music.
Fuck, I made that.
This is what you listen to in the Marauder
When you don't give a fuck about anything
Yeah, this is what you listen to in the Marauder
This is the soundtrack to the game, game, game.
