

# Smile For The Paparazzi

## Cobra Starship

Take back what they've taken if you wanna play it safe.  
Keep on money makin',  
Gotta save for rainy days. Take it slow, oh yeah you never know.  
Strike while it's hot,  
There ain't that much room at the top. Oh yeah gotta make your way to the top.  
Gotta get to the top. Party queens  
If you wanna be seen,  
Take a shit where you sleep,  
And smile real wide for the paparazzi everywhere Hear hear! Now you're famous  
But do you know the price you pay?  
I hope you that ain't contagious  
'cause I ain't gonna live that way.  
Thank you, no,  
But I don't need to go to that spot Get these climbers off my jock.  
Oh yeah gotta stay away from my jock.  
Step the fuck of my jock. Party queens  
If you wanna be seen,  
Take a shit where you sleep,  
And smile real wide for the paparazzi everywhere Party queens  
If you wanna be seen,  
Take a shit where you sleep,  
And smile real wide for the paparazzi everywhere
