

Sin's a good man's brother

Monster Magnet

Ain't seen a night,
Things work out right, go by
Things on my mind,
And I just don't have the time,
And it don't seem right
Ain't seen a day,
That I don't hear people say,
They know they're gonna die
This may seem a little bit crazy,
But I don't think we should be so lazy
If you think you've heard this before,
Well, stick around I'm gonna tell you more
One just like the other,
Sin's a good man's brother, but is that right
You tell me that I don't, then I say I won't, but then I might
You said this is the way it's supposed to be, but it just don't seem
Right to me, and that's outta' sight
Some folks need an education
Don't give up, or we'll loose the nation
You say we need a revolution
It seems to be the only solution
