

# Five Miles Out

Mike Oldfield

Advisory - the following lyrics contain explicit language:

What do you do when your falling  
You've got 30 degrees and you're stalling out?  
And it's 24 miles to your beacon  
There's a crack in the sky and the warning's out  
Don't take that dive again  
Push through that band of rain  
Five miles out  
Just hold your heading true  
Got to get your finest out.  
You're Number 1, anticipating you  
Climbing out  
Just hold your heading true  
Got to get your finest out  
You're Number 1, anticipating you  
Mayday! Mayday! Mayday!  
Calling all stations!  
This is Golf-Mike-Oscar-Victor-Juliet  
IMC CU NIMB in great difficulty, over  
The traffic controller is calling  
Victor-Juliet, your identity  
I have you lost in the violent storm  
Communicate or squawk "Emergency"  
Don't take that dive again  
Push through that band of rain  
Lost in static, 18  
And the storm is closing in now  
Automatic, 18  
Got to push through! Trapped in living hell  
Your a prisoner of the dark sky  
The propeller blades are still  
And the evil eye of the hurricane is  
Coming in now for the kill  
Our hope's with you  
Rider in the blue  
Welcomes waiting, we're anticipating  
You'll be celebrating, when you're down and braking  
Climbing out  
Climbing, climbing  
Five miles out  
Climbing, climbing  
Five miles out  
Just hold your heading true  
Got to get your finest out

Climbing, climbingFive miles out  
Just hold your heading true  
Got to get your finest out  
Climbing, climbingClimbing out  
Just hold your heading true  
Got to get your finest out  
Climbing, climbingFive miles out  
Just hold your heading true  
Got to get your finest out  
Climbing, climbingClimbing out  
Just hold your heading true  
Got to get your finest out  
Climbing, climbingClimbing out.  
Just hold your heading true  
Got to get your finest out
