Never Let You Down

Kevon Edmonds

Here I am
Take me in your arms
Do with me
What you must
I Belong, I belong to you
You're the one
The one i trustWhen you need some sweet, sweet love
I will always be around
Girl don't you know
It doesn't matter when or where I am
I'll never let you down
oh no, never let you down,
oh no I won'tLike a song
Playing in my heart
You're my sweet
My melody
I will sing
I will sing to you
You're the one
The one for meIf you need some peace and quite, lady
I won't even make a sound no no
Don't you worry 'bout a, thing at all
Cause I'll never let you downAnd when I look
Into your eyes, they do?
In those eyes, they ohMy sweet baby
Girl you know, you know how much I love you babyWhen you need some sweet, sweet lovin' yeah
I will al-, always be around baby
Don't you worry
'Bout a thing at all girl
Cause I'll never let you down babyIf you need some peace and quite baby
I won't, even make a sound, girl
It doesn't matter when or where I am baby
oh
Cause I'll never, never, never, never let you downNever let you down
Girl no I won't
I said never
No baby
Baby
I will never let you down

oh no
See I never let ya, never let ya
Never gonna let ya down baby
Never let ya, never let ya
No I won't
Never let you down
No no no no
Never let ya, never let ya, let ya
Never gonna let ya, never let ya down
