Sweet Louise

Bride

I can still sweet Louise standing there
Like a child, she whispers softly to me
She comes to me, I swear, I close my eyes
I still see sweet LouiseI hear the songs she used to sing
Her voice sounds so real to me
Tell me, it's not a dream, my heart is strange
Like it used to feel with sweet LouiseSweet Louise, she's still with me
Even though she's gone
Sweet Louise, she's part of me
She lives in my songsThe door opened and closed
And no one knows
Our secret place
Where memories are safeNo one can move me, like she did
No one can touch me, like she did
On a rainy night, how we cried
I held her and and I kissed her goodbyeI can see you up in heaven, looking down at me
Make the dark clouds disappear
There can never be a love so sweet
She left this world without a tearThe door opened and closed
I know we'll be together again
