Make It Hot

Mirah

The door is jammed
The door slammed shut
And i wait for the sound
Wait for the sound

There is one addiction
I like to keep the power and the heat

Make it hot
Take me over and over and over
Make it hot
Take me over and over and over

The snow falls
The snow's all ugly
When it hits the street
When it hits the street

It gets colder
Arms and shoulders

Who would've guessed it?
C'mon and feel me flex it
Who would've guessed it?
C'mon and feel me flex it

Make it hot
Make it hot
Make it hot
Take me over and over and over
