

# This Land Is Your Land

**Bob Dylan**

This land is your land, this land is my land  
From the California to the New York Island  
From the Redwood Forest, to the Gulf stream waters  
This land was made for you and meAs I went walking that ribbon of highway  
I saw above me that endless skyway  
Saw below me the golden valley  
This land was made for you and meI roamed and rambled and followed my footsteps  
To the sparkling sands of her diamond deserts  
All around me a voice was sounding  
This land was made for you and meWhen the sun come shining, then I was strolling  
In wheat fields waving and dust clouds rolling  
The voice was chanting as the fog was lifting  
This land was made for you and meThis land is your land, this land is my land  
From the California to the New York Island  
From the Redwood Forest, to the Gulf stream waters  
This land was made for you and meWhen the sun come shining, then I was strolling  
In wheat fields waving and dust clouds rolling  
The voice was chanting as the fog was lifting  
This land was made for you and me
