

# The Best One Yet (The Boy)

## Black Eyed Peas

Right now,  
Right now is the right time  
For the good things in life, let's celebrate  
Let's bring upon the better times  
And let the sadder time disappear (ooh)  
I feel like a champion in a stadium  
There's love in pandemonium  
Imma put this in my memory as the best time ever This is the best one yet,  
and I'm so happy  
How could we ever forget?  
This is the best one, this is the best one  
This is the best one yet and I'm so happy  
How could we ever forget?  
This is the best one, this is the best one  
This is the best one yet  
Let's celebrate  
Let's celebrate Let's celebrate, let's do it right now  
And not hesitate  
We're gonna rock into the top like elevate  
Bottoms up, here we go  
Let's intoxicate  
I was feeling good, but now I'm feeling free  
Best ever and you know I don't exaggerate  
This moment is the moment I will appreciate  
Today is the day I will remember This is the best one yet, and I'm so happy  
How could we ever forget?  
This is the best one, this is the best one  
This is the best one yet and I'm so happy  
How could we ever forget?  
This is the best one, this is the best one  
This is the best one yet  
Let's celebrate (Let's celebrate, let's celebrate oh)  
Let's celebrate (Let's celebrate, let's celebrate oh) This is your moment, this is your moment  
This is the time, this is the time  
To get it right tonight  
To get it right  
You don't wanna let the moment pass you by  
So come on and save this one in a photograph  
Everything that made us cry and made us laughed

The night is young and will raise a glass  
We'll make it count like the best one we ever had  
The best one yet  
The best one yet  
The best one yet  
The best one yet  
The best one yet  
The best one yet  
This is the best one yet  
The best one yet  
The best one yet  
The best one yet  
The best one yet  
The best one yet  
The best one yet  
This is the best one yet, oh This is the best one yet, and I'm so happy  
How could we ever forget?  
This is the best one, this is the best one  
This is the best one yet and I'm so happy  
How could we ever forget?  
This is the best one, this is the best one  
This is the best one yet  
Let's celebrate (Let's celebrate, let's celebrate oh)  
Let's celebrate (Let's celebrate, let's celebrate oh)
