

Chaser

Jennifer Nettles

I wanna be the one
Not the one after the one
That breaks your heart
I wanna be the fire
Not the cool
That soothes your tongue
After the sparkDon't wanna be an after thought
Don't wanna be the aftershock
When you've had double shot
Of herI wanna be the taste you crave
Not just some call you make
When you're dying of thirstAnd I know, I know, I know
That I don't, I don't, I don't, I don't
Ever learnAnd if you go, you go, you go, you go
But I wanna be the oneThat makes you burn
And never burn out
Wanna make you burn
All the way down
Are you feeling me nowI don't wanna be your chaser, chaser
Standing in line waiting on my turn
I don't wanna be your chaser, chaser
Wanna be the one that makes you burnI wanna be the name
The only name that's on your lips
When you're alone
I wanna be the first
Not the next one on the list
In your phoneDon't wanna be the old fallback
The one you never did call back
Even though I waited all night long
Straight up or on the rocks
Don't wanna take the edge off
When the drink is too strongAnd I know, I know, I know
That I don't, I don't, I don't, I don't
Ever learnAnd if you go, you go, you go, you go
But I wanna be the oneThat makes you burn
And never burn out
Wanna make you burn
All the way down
Are you feeling me, feeling meBurn and never burn out (I don't wanna be your chaser, chaser, chaser)

Are you feeling me burn (I don't wanna be your chaser, chaser, chaser)

 All the way down (I don't wanna be your chaser, chaser, chaser)

 Are you feeling me now I don't wanna be your chaser, chaser

 Standing in line waiting on my turn

 I don't wanna be your chaser, chaser

Wanna be the one that makes you burn Burn, burn, like an old scotch whiskey

 Drink it down slow, pour it all night long

 Burn like a heat everytime you kiss me

 Like these words pouring off my tongue
