

Here's My Heart

[Lauren Daigle](#)

Though at times it seems
Like I'm coming undone
This walk can often feel lonely
No matter what until this race is won
I will stand my ground where hope can be found
I will stand my ground where hope can be found Oh, o'Lord o'Lord I know You hear my cry
Your love is lifting me above all the lies
No matter what I face 'cause I know in time
You'll take all that is wrong and make it right
You'll take all that is wrong and make it right Your strength is found
At the end of my road
Your grace it reaches to the hurting
Still through the tears and the questioning why
I will stand my ground where hope can be found
I will stand my ground where hope can be found Oh, o'Lord o'Lord I know You hear my cry
Your love is lifting me above all the lies
No matter what I face 'cause I know in time
You'll take all that is wrong and make it right
You'll take all that is wrong and make it right
(Right, so right) make it right
(Right, so right) make it right right (I will stand my ground)
(I will stand my ground)
I will stand my ground where hope can be found
I will stand my ground where hope can be found Oh, o'Lord o'Lord I know You hear my cry
Your love is lifting me above all the lies
No matter what I face 'cause I know that in time
You'll take all that is wrong and make it right
You'll take all that is wrong and make it right
(Right, so right) make it right
(Right, so right) make it right right
