Upside Down

6CycleMind

I've been spending some time
Thinking I'd be alright
Don't know if I could
Really make it tonightLie awake in the dark
Come down then I start
Thinking about you
Is almost breaking my heartI don't know where I went wrong
Or what's going on
Baby I feel like
Our love's lost tonightShould I stay, should I go
Well I really don't know
Lately I've been missing you soBaby you don't understand
Our love lies lost
But your still
Holding my handOh and then you walk away
Just tonight
I want you to stayYou're turning me on
You turn me around
You turn my whole world
Upside downYou're turning me on
You turn me around
You turn my whole world
Upside downEverytime I hurt you
Well it's hurting me too
Don't know if
I could really stay here tonightTired of thinking of you
And everything that you do
Tell me what am I supposed to do
Well I just wanted to say thatI need you today
Tell me its all gonna work out alrightI don't know where I should start
But with all of my heart
Baby let me
Be your lover tonightBaby you don't understand
Our love lies lost
But your still
Holding my handYou're turning me on
You turn me around
You turn my whole world
Upside downYou're turning me on

You turn me around
You turn my whole world
Upside down
