You Let Me Be the Hero

Neal McCoy

Sometimes I don't have the strength to fight the fall
Sometimes I'm tired and just drop the ball
When the earth beneath my feet's just shaky ground
An' when I'm scared I'm gonna let the whole world downYou breathe life into me, put me back on my feet
Every time, you know exactly what I need
An' when I lose control you take the wheel an' no one knows
Quietly you rescue me behind the scenes an' let me be the heroSome people think I'm strong an' calm an' in control
Like I'm the one who stands his ground when the thunder rolls
If they knew my secret, if they only knew the truth
I would've run a thousand times if it hadn't been for youYou breathe life into me, put me back on my feet
Every time, you know exactly what I need
An' when I lose control you take the wheel an' no one knows
Quietly you rescue me behind the scenes an' let me be the heroWhen I'm down on my knees
Prayin' to heaven for some peace
I'm always saved by the angel that God sent to me
Right here next to meAn' you breathe life into me, put me back on my feet
Every time, you know exactly what I need
An' when I lose control you take the wheel an' no one knows
Quietly you rescue me behind the scenes an' let me be the hero
Yeah, you let me be the hero, oh yeah
